Course Objective

The National Swimming Pool Foundation's CPO® Course is internationally recognized and provides foundational training for anyone involved with swimming pools and spas. Maintenance, staff and management; engineers; commercial pool owners; Health Department staff and management; retail staff – literally everyone involved, in any capacity, with swimming pool/spa operation, can benefit from this concentrated training. Upon successful completion of the course and passing the examination, graduates are registered as NSPF Certified Pool Operators® and are entitled to substantial benefits, some of which are 16 APSP Certification credit hours, 1.8 Continuing Education Units (CEU), and the right to display and advertise the CPO® designation.

Learner Benefits:

- Learn the basics from a renowned industry expert
- Learn in a professional environment at the FPSIE Education Center
- New regulations; CA Titles 20 & 24 and federal Virginia Graeme Baker (VGB) Act updates
- Uniform patch and certificate upon completion

Tuition: \$389 / \$349 with association discount
