

## Education Donation

The Foundation for Pool & Spa Industry Education, Inc. (FPSIE), was founded in 2005 in Sacramento, California. FPSIE's goal is to educate the existing pool & spa industry workforce and provide vocational training for the next generation of professionals seeking a career in the pool, hot tub and related industries. FPSIE is the first non-profit educational center of its kind in the country. The school has already received national attention and accolades from within the pool and spa industry. You can visit our website ([www.fpsie.org](http://www.fpsie.org)) to take a tour and learn more about the facility, its educational opportunities and its mission.

FPSIE has entered its second phase of funding which is essential for the school's growth and completion of several projects. Our goal is to raise \$250,000 by January 1, 2009. Any donation of \$10 or more would be greatly appreciated. For those of you who are generous enough to donate \$25 or more, we will send you a "FPSIE-U" t-shirt as a token of our gratitude while supplies last. At the \$200 donation level, we will make you, your company or a loved one a permanent fixture at FPSIE by placing either an **engraved brick** in the entry walkway or a **tile** in the demonstration tank area.

Complete the form below with your donation and a receipt with FPSIE's non-profit tax ID number will be returned to you. Forms for engraving bricks or tile or the T-shirt will also accompany the receipt where appropriate.

Thank you for taking the time to read this request for assistance and thank you in advance for your support. Any donation given to FPSIE is tax deductible. FPSIE, Inc. is a 501(c)3 non-profit corporation.

I pledge/donate \$ \_\_\_\_\_ to FPSIE, Inc., a non-profit organization and the educational facility supported by this group.
