

January 20, 2020

As most of you know the **Fishing with FPSIE** annual event has been quite an undertaking for the FPSIE staff and its' volunteers and FPSIE has truly appreciated the benefits of these efforts. However, due to several distractions and the efforts involved in providing another event to be remembered, FPSIE will be unable to go forward with the continuance of the **Fishing With FPSIE** event.

We are actively looking for other suitors to take this event over, but until this takes place we felt it would be in everyone's best interest to forego 2020's event.

We cannot thank all the volunteers and sponsors enough for the unselfishness and generosity that they brought to this event. Without them there would not have been a Fishing with FPSIE derby. Certainly not of the size and quality that this event consistently produced every year. Rain or shine!

We would also like to thank all Fishing with FPSIE attendees. You were the #1 reason why the "Derby" and "Fishing with FPSIE" was created and ongoing for 15 years. It became one of the major events of the year and a way for our sponsors to thank you for your continued support of their products and services. Attached is a list of the numerous volunteers and sponsors that helped make this event possible over the past few years. Again, thanks!!

You will notice the Fishing With FPSIE site to be inactive, therefore feel free to contact the FPSIE office or Rick Sauvageau (916-975-5512 or @ rickjsauv@gmail.com) with any questions or inquiries pertaining to Fishing With FPSIE.

Again, please understand that FPSIE is and will continue looking for an organization or group to continue this event, which has become a tradition for a lot of us. We will let you know when this comes about.

Thanks for your understanding and all the memories.

Sincerely,

Phil Gelhaus
FPSIE Inc Chairman of the Board
